DETAILED ACTION

1. Claims 2, 3, 22-28 and 30 are canceled.
2. Claims 1, 4-21, 29 and 31-41 are allowed.

Reasons for Allowance

3. This is examiner's statement of reasons for allowance.

Regarding claims 1, 4-21, 29 and 31-41, the prior art, either singularly or in combination, does not teach or suggest an image capture device, comprising:

a first scanning module operable to scan a first side of an object;

a second scanning module operable to scan a second side of said object, said first and second scanning modules being independently translatable along their respective displacement paths and being offset from each other along their respective displacement paths during a duplex mode to reduce bleed-through of light through the object; and

a housing, wherein one of said first and second scanning modules is disposed in said housing.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
